COLOR SHADE VARIATION

Every Casa dolce casa product is characterized by a degree of color shading that varies from product to product, from color to color. Color shading means chromatic variation from tile to tile in every box. It is not possible to request Casa dolce casa material in color shade variations other than those shown per item.

V1

THE LEAST AMOUNT OF SHADE AND TEXTURE VARIATION.

V3

HIGH SHADE TEXTURE VARIATION WITHIN EACH CARTON.

V2

LIGHT TO MODERATE SHADE AND TEXTURE VARIATION WITHIN EACH CARTON.

V4

VERY HIGH SHADE AND TEXTURE VARIATION WITHIN EACH CARTON.

RESISTANT FOR THE HOUSE The product is water-resistant; it stops liquids, body oils, acidic and staining substances from penetrating the tiles. It resists scratches, scuffs and gouges better than any other floor covering. It doesn't absorb fumes, odors or smoke. It doesn't discolor or fade when exposed to sunlight, or other natural elements. It is completely fire-proof. It resists burns and doesn't feed a fire. Its high resistance to abrasive dirt and grime makes it suitable even for heavy-traffic areas of the house, such as hallways, entrances, foyers, walkways.

FROST RESISTANT - FOR OUTSIDE AREAS Exceeding the ADA standard requirements, the Casa dolce casa product can also be used for outside applications. It stands up to abrupt temperature changes and freezing-thaw cycles. When properly installed according to ANSI A1371 it's strong enough to be used in exterior applications even in frigid climates. Proper consideration must be given to the anti-slip requirements of the area to be tiled.

ANTI-SLIP The testing conducted on our finished product will guarantee that all our tiles will have an anti-slip surface so they may be used with total confidence in kitchen and bath applications. The Casa dolce casa product is perfect for both home and commercial interiors, such as restaurants, offices and stores, etc. Its anti-slip properties provide a safe walking surface in both wet and dry conditions, according to the Americans with Disabilities Act.

HYGIENE/SANITATION AND EASY CLEANING The Casa dolce casa product doesn't absorb odors or bacteria of any kind. It's easy to clean with a damp sponge-mop or cloth. For a more intense cleaning, simply use a mild solution of water and a common household detergent. Regular cleaning will stop the growth of germs and bacteria in damp areas, such as the bathroom.
