GLAZED PORCELAIN FLOOR & WALL TILE

AURA

shown on front: **AUR10 24x48** Canvas White

Aura is an elegant replica of the subtle clefted textures and delicate inflections of natural stone. A modern color palette of tone-on-tone neutrals brings an unexpected versatility, suiting both traditional and contemporary settings.

The five stone-inspired colorways include: Canvas White – a graceful layering of frost and silver tones; Light Gray – striking gradations of lighter and darker grays atop a backdrop of soft gray; Ash Warm Gray – graphite tones mingled with a seasoned yet unassuming surface; Earth Beige – a velvety mix of warm sand and brown tones; and Antracita Charcoal – a sophisticated, smoky blend of carbon and ash.

Rectified field tile formats include: 12x24, 24x24, and 24x48. A classic 64-piece mosaic and 3x24 bullnose in all five colors round out the collection.

Aura glazed porcelain floor and wall tile is appropriate for most residential and commercial wall, countertop, backsplash, and floor applications. It contains pre-consumer recycled content and is GREENGAURD® and Porcelain Tile Certified.
